

**Lenoir Amateur Radio Club
Minutes of the December 13, 2019 meeting**

The Lenoir Amateur Radio Club met at 6 PM at the Mayflower Seafood Restaurant for their annual Christmas Meeting. Club members, families and friends gathered for a great evening of conversation, good food and sharing gifts with a “Dirty Santa” exchange.

Attendance was not taken at this meeting.

A brief business meeting was held to address a membership request from Howard “Howy” W. Copenhaver, Jr., from Morgantgon, who requested a Lifetime Membership and sent a check to cover his membership. In his letter he mentioned his “senior” status and noted that he had a longstanding commitment on Thursday nights and would not be able to be very active with the club. His membership request was approved by the club. He also offered a donation of used equipment to the club.

Respectfully submitted,
Frank Gordon KN4ACU, secretary
